Notes to Editors

The EUF is the Representative Body for the Factoring and Commercial Finance Industry in the EU. It comprises national and international industry associations that are active in the region. The EUF seeks to engage with Government and legislators to enhance the availability of finance to business, with a particular emphasis on the SME community. The EUF acts as a platform between the Factoring and Commercial Finance Industry and key legislative decision makers across Europe, bringing together national experts to speak with one voice.
